Our Services

McCarney Financial Services Limited is a member of Brokers Ireland.

Our principal business is to provide advice and arrange transactions on behalf of clients in relation to life & pensions/mortgages/general insurance products. A full list of insurers, product producers and lending agencies with which we deal is available upon request.

Insurance Intermediary Services/Investment Intermediary/Mortgage Intermediary Services

We act as a **Broker** which means that:

- a) The principal regulated activities of the firm are provided on the basis of a fair and personal analysis of the market; and
- b) You have the option to pay in full for our services by means of a fee. We also accept third-party payments from providers i.e. Commissions.

Fair and Personal Analysis

The principal regulated activities of our firm are provided on the basis of 'fair and personal analysis' of the market. The concept of fair analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could reasonably be expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

Investment Intermediary Services

We are remunerated by commission for our investment intermediary services. A list of the companies we hold appointments with are listed on appendix I of this document.

Insurance Based Investment Products

We are remunerated by commission for the advice we provide on our insurance based investment products.

Life & Pensions/Deposits & Life Wrapped Investments

We provide life assurance and pensions on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs. A list of the providers we hold appointments with are listed on appendix I of this document.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically on the subject of permanent health insurance policies we will explain to you;

- a) the meaning of disability as defined in the policy;
- b) the benefits available under the policy;
- c) the general exclusions that apply to the policy; and
- d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

Investment (Article 3)

We provide investment advice on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contacts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

Non-Life

We can provide advice on and arrange products from the following range: household including unoccupied properties, landlord/rental properties and public liability.

We provide general insurance advice on a limited analysis basis, i.e. providing services on the basis of a limited number of contracts within the market that is to say, while not tied to any one product producer the services are not provided on a fair analysis of the market. We provide advice on the following product providers:

- Aviva Insurance Ireland DAC
- Allianz
- Dolmen Insurance

In some cases we may be granted authority from an insurance undertaking to conduct tasks on their behalf, for which we will be remunerated.

Where we place your business with this insurance undertaking under this authority you will be notified in advance of the placement. We will also offer assistance to you in relation to processing claims on policies taken out with us and in seeking renewal terms on your cover.

To ensure continuity of cover, where you have an existing policy which is due to expire and where we have been unable to contact you, we will put continuing cover in force whilst awaiting your instruction. You will be liable for any premiums payable to the relevant insurer for the period of time between renewal, and when we receive your instruction. You have the right not to avail of this service.

Mortgages

Through the lenders or other undertakings with which we hold an agency (identified on appendix I of this document) McCarney Financial Services limited can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, pension mortgages, bridging finance and residential investment property.

We provide mortgage advice on a fair analysis basis (providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable the firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs).

We will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.

Sustainability Factors – Investment/IBIPs/Pension Advice

In accordance with the Sustainable Finance Disclosure Regulation ('SFDR'), we inform you that when providing advice on insurance-based investment products/Investments, we do not assess, in addition to relevant financial risks, relevant sustainability risks as far as this information is available in relation the products proposed/advised on. This means that we do not assess environmental, social or governance events/conditions that, if they occur, could have a material negative impact on the value of the investment.

Considering Principal Adverse Impacts on Sustainability Factors and the Advice:

When providing advice on insurance-based investment products (IBIPs) or investment advice we do not consider the impacts of our advice that result in negative effects on sustainability factors (namely environmental, social and employee matters, respect for human rights, anti-corruption and anti-bribery matters), because currently there is a limited relevant products on the market which meet these criteria, the area of sustainability is relatively new and as the issue progresses, we will review our position. The firm will review this approach on an annual basis.

Impact on return

We have not assessed the likely impacts of sustainability risks on the returns of investment/pensions since we have not been able to identify any sustainability risks that are relevant.

The following sections apply to consumer duties and rights arising out of the Consumer Insurance Contracts Act 2019 which was implemented to protect consumers. **Non-Consumer Commercial clients have no duties and rights under this Act, and therefore the following sections do not apply to them.**

Consumers: Duty of Disclosure when completing documentation for new business/renewals and midterm adjustments

You are required to answer all questions posed by us or the insurer honestly and with reasonable care – the test will be that of the 'average consumer'¹.

Before renewal of the contract of insurance, specific questions will be asked. Again, you will be required to answer honestly and with reasonable care. Where you do not provide additional information (after being requested to do so) it can be presumed that the information previously provided remains unchanged.

Failure to answer all questions honestly and with reasonable care can result in the Insurer being able to rely on proportionate remedies for misrepresentation, which include but are not limited to the insurer voiding the contract of insurance. If a policy is cancelled by an insurer for any reason including payment default you may encounter difficulty in purchasing insurance in the future.

Completed proposal forms/statement of fact

Completed proposal forms or Statements of Facts will be provided to you. These are important documents as they form the basis of insurance contract between the insurer and you the consumer. You should review and confirm that the answers contained within are true and accurate.

You are under a duty to pay your premium within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

A court of competent jurisdiction can reduce the pay-out to you if you are in breach of your duties under the Act, in proportion to the breach involved.

New Business & Renewal Insurance Contracts

If you have taken out a life insurance contract, you may cancel the contract by giving notice in writing to us within 30 days after the date you were informed the contract is on cover, and

If you have taken out a general insurance contract, and we have not met face to face during the process, you may cancel the contract by giving notice in writing to us within 14 days after the date you were informed the contract is on cover.

The giving of notice of cancellation by you will have the effect of releasing you from any further obligation arising from the contract of insurance. The insurer cannot impose any costs on you other than the cost of the premium for the period of cover. This right to cancel does not apply where, in respect of life insurance the contract is for a duration of six months or less, or in respect of general insurance, the duration of the contract is less than one month.

You are under a duty to pay your premium within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

A court of competent jurisdiction can reduce the pay-out to you if you are in breach of your duties under the Act, in proportion to the breach involved.

Post-Contract Stage and Claims

If, in respect of the insurance contract the insurer is not obliged to pay the full claim settlement amount until any repair, replacement or reinstatement work has been completed and specified documents for the work have been furnished to the insurer, the claim settlement deferment amount cannot exceed

- 5% of the claim settlement amount where the claim settlement amount is less than €40,000, or
- 10% of the claim settlement amount where the claim settlement amount is more than €40,000.

An insurer may refuse a claim made by you under a contract of insurance where there is a change in the risk insured, including as described in an “alteration of risk” clause, and the circumstances have so changed that it has effectively changed the risk to one which the insurer has not agreed to cover.

Any clause in a contract of insurance that refers to a “material change” will be interpreted as being a change that takes the risk outside what was in the reasonable contemplation of both you and the insurer when the contract was concluded.

You must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest and reasonably careful manner and must notify the insurer of the occurrence of an insured event in a reasonable time.

You must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

If you become aware after a claim is made of information that would either support or prejudice the claim, you are under a duty to disclose it. (The insurer is under the same duty).

If you make a false or misleading claim in any material respect (and know it to be false or misleading or consciously disregards whether it is) the insurer is entitled to refuse to pay and to terminate the contract.

Where an insurer becomes aware that a consumer has made a fraudulent claim, they may notify the consumer advising that they are voiding the contract of insurance, and it will be treated as being terminated from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim made after the date of the fraudulent act, and the insurer is under no obligation to return any of the premiums paid under the contract.

Compensation Scheme

We are members of the Investor Compensation Scheme operated by the Investor Compensation Company Ltd. See below for details.
